Plaintiffs and all defendants¹ submit the following Joint Case Management Conference Statement, requesting that the Case Management Conference scheduled for December 12, 2007 be rescheduled to January 16, 2007. All Plaintiffs and all defendants except the Oakland Unified School District have signed a Settlement Agreement which will dispose of all of Plaintiffs'

claims against all defendants. Once the Agreement is fully executed and settlement payments made, the parties will submit a stipulated request for an Order dismissing Plaintiffs' claims with prejudice. Counsel for Oakland Unified School District expects execution of this Settlement Agreement by the appropriate District official in the near future, but not in sufficient time to submit the proposed Order dismissing this case before the December 12 Case Management Conference.

Accordingly, the undersigned parties jointly request the Court to reschedule a Case Management Conference for January 16, 2007, with the hope and expectation that this Conference can be taken off calendar due to the filing before that time of a stipulation and proposed Order dismissing the case with prejudice.
